Dynamics of negotiation & shifting employers

- Negotiation is about power
- Who are you negotiating with?
- Identify Decision Makers
- Affordability
- Never correct your opponent whilst they're making a mistake
- Beware pitfalls and traps
- Position Correctly

Importance of membership density

- Each member strengthens our negotiating position
- Clear and present threat financially, reputationally, operationally
- Members need to take ownership of the pay claim – it doesn't work without them

The Invisible Stakeholders

Understand the role of board members and shareholders in decision-making.

Work on strategies to extend the influence of the union to these stakeholders.

- Open book contracts cost plus/fixed price
- Ownership structures
- Third party suppliers
- The 'Pot'
